Behavior Expectations When We Are At Football Games

- We operate and travel as a group--never just take off on your own without talking to Mrs. Sabado
- If you must separate from the group you must go in a group of three
 - Stay in band area in stands - do not go off to talk to your friends or family during the game
 - No friends or family in band area (unless they are band members or designated parent helpers)
- Cheer with the cheerleaders and ASB - This is our JOB!
- No eating during 1st, 2nd, or 4th quarter in stands (you get 3rd quarter off) - water ok
- No cell phones out during 1st, 2nd, or 4th quarter without permission
 - Mrs. Sabado reserves the right to confiscate your phone
- Have good sportsmanship - do not boo other teams or talk negatively (be prepared that others around you WILL probably do this--don't join in)
- Never talk badly about another group or individual
- Remain respectful and respectable at all times, this includes the language you use--remember who you represent
- Be helpful--to each other, to parents, to other groups and other people
- Always leave a place cleaner than we found it (AKA stands after the game!)
- Never stand around waiting to leave or leave early--always ask if there is something you can help with if you can't find something on your own
