Behavior Expectations for Concerts

-Do not run around/act crazy/wander around if you are waiting - stay where you are expected to, be ready to perform at a moment's notice, and do not be a distraction to others who are working - much of what we do is waiting

-All students must attend the concert in its entirety, sitting in the audience and displaying appropriate concert etiquette at all times for other performing ensembles, which includes:

- phones turned OFF and put away at all times
- no talking/whispering during a performance
- no eating during a performance
- sit still and quiet during a performance (you may move between pieces, if necessary)
- clap when a piece of music is over
- offer positive comments to performers when you see them after the performance!

-Never talk badly about another group or individual - you never know whose mom is sitting right behind you!

-Remain respectful and respectable at all times--remember who you represent

-Be helpful--to each other, to parents, to other groups and other people
