Behavior Expectations When We Are At Shows

- We operate and travel as a group--never just take off on your own without talking to Mrs. Sabado
- If you must separate from the group you must go in a group of three
 - students found without a group of three will be assigned to stay with a parent or with Mrs. Sabado *for the remainder of the day*
- Never talk badly about another group or individual - you never know whose mom is sitting right behind you!
- Remain respectful and respectable at all times--remember who you represent
 - students are expected to watch shows quietly and attentively and clap/cheer at appropriate times for other performers
 - we will show support for other groups by clapping and wishing them a good show as they walk by
- Be helpful--to each other, to parents, to other groups and other people
- Always leave a place cleaner than we found it (show site, buses, stands, etc.)
- Never stand around waiting to leave or leave early--always ask if there is something you can help with if you can't find something on your own (loading/unloading)
