## **Student and Parent Acknowledgement of Receipt of Calendar of Events**

**I have gone over the calendar with my parents and understand my expectations as a member of the EDHS Music Department as detailed in this document. I understand that all performances and rehearsals, including those outside of regular school hours, are mandatory and will be reflected in my grade. I understand that I must stay for the duration of the entire performance event to receive full credit.**

**I further acknowledge that I have thoroughly reviewed this calendar of events with my parents and will inform Mrs. Sabado via the Red Music Absence Form of potential conflicts now and/or as soon as I learn of them, should they come up later in the semester. I understand the makeup policy for EXCUSED absences from performances (unexcused absences may not be made up). Absences are only excused through three signatures on the Red Absence Form (found in band room), submitted in a timely manner.**

**I understand that events are subject to change and that myself and my parents should regularly check the website and online calendar for the most up-to-date information ([www.edhscougarmusic.com/calendar](http://www.edhscougarmusic.com/calendar)). I understand that my absence from a performance will not only negatively affect my own grade but that it will also negatively affect the performance and success of other students and the entire ensemble, excused or not.**
